

MAIN FACS SOFTWARE MODIFICATIONS - ELECTRONIC TRANSACTION PROCESSING

To provide more consistency and ease of use, the following Electronic Transaction Processing software modifications will be in production on Monday, April 15, 2002:

B7 All page hyperlinks and action buttons will be displayed on the lower right of the web page.

B7 Building Lease Payment and Profile error messages will be displayed on the web page where the error has occurred. These messages will appear in blue within an enclosed box. Currently error messages are displayed on a separate web page.

B7 Previous and Next buttons have been changed to hyperlinks.

B7 A copyright footer will be displayed at the bottom of every screen.

B7 The Log Out hyperlink has been moved from the left menu panel to the top menu panel along with the Support and FAQ hyperlinks.

B7 The left panel has been reduced in size to fit the screen.

B7 Web Page titles have been standardized in size and format.

B7 A PCHL9100 Electronic Notepad will be automatically created for each Building Lease Payment ADPICS Direct Voucher. The notepad will contain the Site Reference Number and Address.
